Parent Contract

2.1 - A £50 registration fee will apply where private paid sessions are included. This fee is not applicable to parents accessing government funded hours. A refundable deposit of £50 will be required for child accessing funded hours. The deposit will be refunded at the end of the child's first term, subject to the child having attended the nursery during that term.

7.4 - Funded sessions do not include the provision of meals. The nursery offers flexible meal options to accommodate individual family preferences, which include food consumables. (consisting of breakfast, and snack) hot meals, a combination of both, or the option for children to bring a packed meal from home. All meal and food consumable provisions are offered as optional extras and are subject to additional charges. Parents who choose to decline nursery provided meals, must supply suitable and sufficient food for their child during the duration of their attendance. We cannot reheat the food that is in packed boxes from home. Please note that the nursery does not provide non-food consumables; food consumables refer strictly to breakfast and snacks. Where nursery provided meals or consumables are selected, these charges form part of the nursery fees and are payable in accordance with clause 7.2 (refer to our terms and conditions).

You can use Tax Free Childcare or Universal Credit Childcare to claim back some of the costs. To find out if you are eligible, please visit www.beststartinlife.gov.uk

If you do not wish to pay for specific Food consumables, for example because you wish to provide your own, please make us aware so next steps can be discussed.
